AUTHORITY

D.C. Official Code § 1-627.01 *et. seq.* authorizes the temporary assignment of employees between the District and other governmental agencies, institutions of higher education, and private sector organizations. The purpose of the Personnel Exchange Agreement (D.C. Standard Form 69) is to document each temporary assignment and become the permanent record of the assignment.

PURPOSES AND USES

The principal purpose of the Personnel Exchange Agreement is to formally document the temporary assignment of an employee between a District government agency and another organization. The Personnel Exchange Agreement also establishes the legal basis for personnel and financial transactions which facilitate these temporary assignments. In addition, the Personnel Exchange Agreement provides statistical data on mobility program activities which may be furnished (without the employee's personal identification) to federal agencies, Congress, or other interested parties or individuals under the Freedom of Information Act.

EFFECTS OF NONDISCLOSURE

The personal information required to complete a Personnel Exchange Agreement under D.C. Official Code § 1-627.01 *et. seq.* is furnished voluntarily. The only consequence of not providing the requested information is the self-elimination by the individual for consideration for such an assignment.

DISCLOSURE OF OFFICIAL INFORMATION

It is the policy of the District government to make personnel information in its possession or under its control available upon request to appropriate personnel and law enforcement authorities, except if such disclosure would constitute an unwarranted invasion of personal privacy, or is prohibited under the law or regulations issued pursuant thereto. (*See* D.C. Official Code § 1-631.03)
